As most members would know a new Editor is required so any applications to go to Secretary Lesley Beare, it is not a requirement to be a member of the Committee just of the society.

As you may know any member of the society may attend the committee meetings, the only requirement is to let the convenor (Lesley) know, and may have a say but not vote.

Please use the books in the library as they are purchased for the members convenience if not on the table at the meeting they will be in the cupboard in the back. Just book them out with the Librarian.

This is only a short note for the start of the year.
If you have any pearls of wisdom that you would like to share with our fellow members or an article you would like to have in the Newsletter please contact the Editor on

Any for Sale or Swap Notices can be included if submitted by the 10th of the month.
